

Friends of Tooting Common

29 May 2017

Town and Country Planning Act 1990: Planning Application Number 2017/ 1543
Location: Tooting Bec Lido, Tooting Bec Road SW16 1RU

Dear Wandsworth Council Planning

I am writing as the Chair of Friends of Tooting Common, in response to your letter of 8 May about this planning application for the retention of a service supply cabinet.

Friends of Tooting Common's main comment is that we are very concerned that it appears that Wandsworth Council did not require planning permission for this work to be sought in advance of the work, but are now seeking retrospective planning permission for this cabinet, which was already installed some time ago. This process being used does not allow now for proper consideration of this application.

It is very important for the future that in any case involving a planning application relating to Tooting Common that Wandsworth Council requires that planning permission be sought in advance of any relevant work, not retrospectively.

Your sincerely

Peter Ramell
Chair, Friends of Tooting Common
